

Take the  
**City  
Nature  
Challenge  
2022**  
April 29  
- May 2

More than  
**400 regions** around  
the world will explore and  
record **biodiversity** during  
the City Nature Challenge 2022

**Take part** by recording wild plants  
and animals anywhere in **Luxembourg**  
using **iNaturalist**

The City Nature Challenge 2021 takes place in 2 parts

**April 29 - May 2**

**May 3 - May 8**

**Taking pictures of wild plants, animals and fungi**

**Identifying what was found**

## How does it work?

**Join the iNaturalist network:** get the smartphone app and create an account.

**Explore nature around you:** look for wild plants, animals and fungi.

**Document your discoveries:** take a photo and note the location and time of your sightings.

**Share your observations:** use iNaturalist to identify and share your findings.

### More information:

[citynaturechallenge.org](https://citynaturechallenge.org)

### Check the results:

<https://inaturalist.lu/projects/city-nature-challenge-2022>  
<https://inaturalist.lu/projects/city-nature-challenge-2022-luxembourg>

All contributions from anywhere in the Grand Duchy of Luxembourg will automatically be collected in our project on iNaturalist.

All you need to do is find and record biodiversity.

Download the smartphone app iNaturalist and make your observations.
